

Alabama Local Wins \$396,097 on Cadillac Jack's Wide Area Progressive Cadillac Cash at Wind Creek Casino & Hotel

Two lucky players have already won more than \$1,028,994 playing Cadillac Cash at Wind Creek since its grand opening in January

Atmore, AL and Duluth, GA – May 20, 2009 – A very lucky Alabama man won \$396,097 on May 4, 2009 while playing Cadillac Jack's wide area progressive Cadillac Cash™ during his visit to Wind Creek Casino & Hotel in Atmore, AL. This is the second time that the Cadillac Cash jackpot has hit at Wind Creek since the beginning of the year and the third big Cadillac Cash award to players at casinos operated by the Poarch Band of Creek Indians.

Mr. Waller, a resident of Camden Alabama, was playing max bet on Cadillac Cash The Game™, a popular title on the Cadillac Cash wide area progressive link. He had invested only \$60 prior to hitting the impressive jackpot on a single wager of \$1.50. When asked what he planned to do with his winnings, Mr. Waller indicated that this is one payout he hopes will continue paying. While many of us dream of winning big and escaping, Mr. Waller wants to hit the road – in his very own 18-wheeler. As he reasons, "I'm a truck driver, and I can make more money with my own truck."

"This jackpot is the latest example of the higher payouts at Wind Creek," said Arthur Mothershed, Property Manager for Wind Creek Casino & Hotel. "We are thrilled Mr. Waller won big on Cadillac Cash and wish him continued prosperity. All we can say now is, keep on trucking... and coming back to Wind Creek!"

Cadillac Cash operates in 17 Native American casinos and has paid out more than \$2.22 million to lucky winners nationwide. Representatives from Cadillac Jack and Wind Creek Casino & Hotel presented the jackpot check to Mr. Waller during a special celebration at Wind Creek.
