

Cadillac Jack Introduces New Series of 50 Line Games

Duluth, GA, March 31, 2009 - Cadillac Jack announced today the introduction of its new 50 Line video reel series to select gaming markets in the US and Mexico. Four titles will be released during the initial launch, including Tiger Magic™, Coyote Country™, Cap'n Seamore Cash™ and Wild Ninja™, with an additional four titles to be rolled out by the end of the second quarter.

"We are pleased with the strong interest and play that our new 50 Line products are receiving during the initial rollout phase," commented Mauro Franic, Vice President, Product Management and Marketing at Cadillac Jack. "The 50 Line series target a niche that we weren't previously addressing and allow us to better serve our customers with more depth and variety in our product portfolio."

All of Cadillac Jack's 50 Line games offer players two lines for the price of one with a maximum bet of 250 coins and provide players more ways to win through free spins, stacked wilds and symbol upgrades during the bonus rounds. The games offer a unique pay style with frequent opportunities to hit the top award when three of the lower paying symbols change into the highest paying symbol during the free spin bonus.

Tiger Magic, the first title in the series, sets the stage with the adventure of an exotic safari. Players may win up to ten free spins, triggered by the Taj Mahal symbol appearing in scatter formation on reels one, two and three. During the Free Spin Bonus, three base symbols change to the highest paying symbol, the Tiger, thus providing players with more chances to be awarded the top prize.

Coyote Country intertwines desert wildlife and Native American symbolism. The Dream Catcher symbol is wild, appearing frequently in stacked formation in both the base game and the Free Spin Bonus, thus increasing a player's opportunity to win on multiple paylines.

Players journey on an aquatic inspired voyage in Cap'n Seamore Cash. An abundance of entertaining sea creatures greet the player as they enter the Free Spin Bonus and enjoy rich rewards.

Wild Ninja immerses players in the dark and combative world of the Ninja. This unique game showcases the double-the-line feature, free spins, stacked wilds and triple bonus awards. Up to twenty-five free spins are awarded during the bonus.

All of Cadillac Jack's new 50 Line game titles will be on display in the Cadillac Jack booth #820 at NIGA, April 15-16, 2009.

Cadillac Jack is a leading supplier of products and technology for the global gaming market. Recognized as a pioneer of server-based gaming, Cadillac Jack provides games and systems to the Class II, Class III, and Charitable gaming markets in the US, the rapidly growing Mexican market, and other select international jurisdictions. The company designs, manufactures, and markets a comprehensive range of products that include server-based and standalone video and mechanical reel slots, wide area progressives, Latin-style bingo games, and slot management systems. In addition to its North America headquarters, Cadillac Jack maintains international sales and service locations throughout Mexico.
